2015 Summer Camp Preview

"CAMP IS ESSENTIAL TO THE SUCCESSFUL TRAINING OF A TROOP."
~ **BADEN POWELL**

CAMP WORKCOEMAN is located in the hills of Northwest Connecticut in scenic New Hartford. The camp consists of 550 acres on the shore of beautiful West Hill Lake, possibly the cleanest lake in Connecticut.

Established in 1924, it is one of the oldest continuously operated Scout camps in the county. For 90 years, thousands of Scouts and leaders have had unforgettable Scouting experiences at Camp Workcoeman. This fine tradition of Scouting continues today.

During the six week summer camp season, over 1,200 Scouts enjoy unforgettable Scouting experiences. The summer camp season consists of six weeks of Boy Scout Resident Adventure Camp as well as Webelos Overnight Adventure Camp and Cub Scout Day Camp.

As a Scoutmaster of a large Troop, I have been looking for the type of camp I remember as a Scout....one where the "Scouting Spirit" is embedded in the staff. The program has enough structure to provide for necessary scheduling, and the staff and equipment is capable of meeting the needs of Troops with varied agendas. The physical portion of the camp is in excellent shape to serve the enrollment.
