### FAMILY CAMP

Everyone is welcome to family camp: brothers, sisters, aunts, uncles, we've even had grandparents attend. These sessions run from mid-day Saturday to mid-day Sunday and are the perfect introduction to camping for our youngest Cub Scouts but are open to all. Scouts will participate in the same shooting sports, crafts, boating, swimming, Scout skills and more as longer resident camps.

July 6-7 - Camp Workcoeman, New Hartford, CT  
July 20-21 - Camp Mattatuck, Plymouth, CT  
July 6-7 - June Norcross Webster Scout Reservation, Ashford, CT

**\$45 per person, includes sleeping in camp's walled tents, meals in our dining halls, and all program supplies**

### MINI-WEEK

A step up from a single overnight experience but another great option to introduce Cub Scouts to overnight camping. These weeks help Cub Scouts gain confidence and help them build up to a full week of overnight camp. Meals are prepared for them and they sleep in our camp's walled tents to ensure a great experience.
