

### **Welcome to Camp Workcoeman 2014**

Dear Scoutmaster,

Welcome to the 90th anniversary summer camp season of Camp Workcoeman! Founded in 1924, boys have experienced the benefits of the summer camp program at this special place with a long tradition of a fun-filled camp program on the shore of West Hill Pond. Camp Workcoeman is one of the longest running camps in the country to offer a summer camp experience to Scouts.

A summer camp experience at Camp Workcoeman will make your Scout troop grow. It is here that the Scouts advance and grow in confidence and skills.

In 2009, a camp study report evaluating the camping programs in Connecticut Rivers Council was compiled by "The Camp Doctor, Inc." The following are statements from the report:

"Good traditional Scout camping needs to survive, for this is where real Scout camping happens... The basic Boy Scout program at Camp Workcoeman was the best of the council's camps."

At Camp Workcoeman our task is to work side-by-side with you to tailor a program that best fits your troop. The staff is ready for this challenge. Once again, many of the old familiar staff veterans will be returning along with new, energetic characters. Many of which come from troops like yours!

Now is the time your troop should begin the process of planning for summer camp. Besides this program guide, the camp website <a href="www.campworkcoeman.org">www.campworkcoeman.org</a>, can assist you in finding information about programs, camp arrival procedures, staff contact email addresses and all related camp forms. Comments from leaders about the web site indicate that it is easy to navigate and provides a wealth of information.

This year's theme will be "Great Explorations." In keeping with the 90th anniversary celebration, the camp program will be an adventure like none other in which your scouts will experience the heritage and timelessness of scout camping at Workcoeman. We will look at the major developments in the history of Workcoeman while challenging your troop to grow as a unit through activities that span the gambit of Scouting's offerings.

Please contact us if you have any questions or special requests with your summer camp plans. We are here to help you prepare for a summer camp experience second to none.

All the best for a great Scouting year.

### **Camp Workcoeman Program Guide**

Camp Workcoeman is located on beautiful West Hill Lake in New Hartford, Connecticut. Established in 1924, it is one of the oldest continuously operated Scout camps in the country. For 90 years, thousands of Scouts and Scouters have had unforgettable Scouting experiences at Camp Workcoeman. This fine tradition of Scouting continues today.

**The Camp Workcoeman Staff** is chosen by a Camp Director with over 33 years experience. The staff is highly skilled and trained with all key staff trained by the Boy Scouts of America at their National Camping Schools. Camp Workcoeman's veteran staff has an impact on a quality program.

### The Summer Camp Program at Camp Workcoeman

contains valuable opportunities of skill, advancement and FUN and is available to every troop and Scout. The quality of your troop's summer camp experience rests with you, the Scoutmaster, and your troop's junior leadership. Use this program guide to learn about camp procedures and policies. You will then be able to inform all Scouts and parents. You and your Scouts can collectively select from among the many program opportunities that meet the needs of your troop.

**Troop Leadership in Camp** The National Council of the Boy Scouts of America requires that each troop must have at least two adult Scouters in camp at all times. One of the Scouters must be 21 years of age or older while the second leader must be at least 18 years of age. All adults must have completed Youth Protection Training. These Scouters stay at camp free of charge. The cost of any additional adults is determined by the number of Scouts in your troop at camp. The following table indicates the cost of additional adults.

# of youth	# of free	Each additional
per program	Scouters	adult
1 - 10	2	\$90
11 - 20	3	\$90
21 - 30	4	\$90
31 - 40	5	\$90

### **Pre-Camp Information**

### **Pre-Camp Program Planning**

Two pre-camp planning meetings are scheduled for your troop leadership to meet with key members of the camp staff and develop a program that meets your needs. **Your CAMP SCOUTMASTER and SENIOR PATROL LEADER are urged to attend ONE of these meetings.** You will also be given information regarding camp policies, medical form and related health information as well as procedures for your Sunday arrival and check-in. A visit to your campsite is possible with a Camp Commissioner.

Camp orientation meetings are scheduled for:

Saturday, May 3 or Saturday, May 17

both beginning at 1:30 PM in the Camp Workcoeman dining hall.

### **Pre-Camp Troop Activity and Merit Badge Sign-up**

Your troop can sign up for merit badges prior to camp using the online sign-up through the Connecticut Rivers Council website – **www.ctrivers.org** 

Merit badge selections should be submitted online at least three weeks prior to your week at camp. The Program Director will be in contact to verify receipt of selections and work with you in regards to any necessary program changes.

You should also send a list of **Troop Activities** to camp to the attention of the Program Director. We will develop a schedule for your troop from the list sent. Please understand that we will make every effort to schedule your desired troop activities. Some activities are in high demand and we want to be fair to everyone. Be sure to use the **"Pre-Camp Preparation Form"** included in this guide.

Staff resources are allocated based on sign-ups done ahead of time. As a result, some programs might not be available without pre-camp sign-ups.

### **Camp Medical Form Information**

### Who Needs a Completed Medical Form?

\*\* All Scouts and adults <u>MUST</u> have a medical examination dated within the last 12 months prior to arrival at camp. The form must be signed AND DATED by a licensed physician.

Be sure to use the Medical Form, Medication Authorization Form and Allergy Treatment Plan found in the Forms Section of this guide or on the camp website.

Those adult leaders staying less than a cumulative 24 hours do not need to have a physical examination however sections A, C & D of the medical form must be completed. Leaders using this option are restricted from participating

### Check the following items BEFORE submitting all Medical Forms:

 IMMUNIZATION SECTION- All Scouts must have history of all immunizations with dates not just tetanus. <u>Leaders require tetanus date only.</u>

- Be sure that all personal information, including emergency phone numbers and insurance information is current and accurate. If parents will be away while the Scout is at camp, be sure a person who can make decisions for the child is listed. It is recommended to include a copy of both sides of your insurance card.
- ALL MEDICATIONS, INCLUDING OVER-THE-COUNTER, REQUIRE WRITTEN DOCTOR'S ORDERS

  Use the "Authorization for Medication" form for EACH medication required. This form is found in the Forms Section of this guide or download a form from <a href="https://www.campworkcoeman.org">www.campworkcoeman.org</a>.

This form MUST be signed by BOTH the medical practitioner AND a parent.

This is a State of Connecticut regulation for ALL participants.

- All medications must be in original pharmacy containers. They must be given to the Health Officer during your
  assigned medical check-in time. This includes any non-prescription medications such as Claritin or vitamins. Be
  sure that Scouts bring only the quantity of medication required for the time they will be at camp. Inhalers and epipens used for emergency conditions may be carried by the camper with a pharmacy label, and appropriate orders
  after they are logged in by the camp Health Officer.
  - \*\* No medications maybe kept by, or administered to Scouts by an adult leader unless the leader is the parent of the Scout. Otherwise, the Camp Health Officer is the only designated person to dispense medications.
- A school physical form is acceptable BUT a BSA form with Parts A, C & D must be completed and accompany the school form.

Upon arrival, all Scouts and adults must fill out a medical survey. The survey form is found in the "Camp Forms" section of this guide. These surveys are to be turned in to the Health Officers during your Sunday medical check-in. You will be given a time for your Sunday check-in with the Health Officers. Failure to follow this procedure will negtively effect the check-in schedule of all troops in camp.

All Medical Forms should be sent to camp at least 3 weeks prior to your week at camp. Please include a roster of those Scouts and Scouters attending camp when sending medical forms.

Our Health Officers will review them and contact you with any problems that are found. Please mail them at least 3 weeks prior to your week of camp to: **Camp Workcoeman**

Please be sure that all checks are made out to: *Connecticut Rivers Council, BSA*.

### Lanterns, Stoves and Fuels

Stoves and lanterns using liquid and propane fuels are permitted provided they are used in compliance with BSA policy as detailed in the "Guide to Safe Scouting". The following are segments of the policy that must be followed:

- Scouts or youth visitors under the age of 18 may not fuel or refuel any stoves, lanterns or appliances on CRC property.
- A quantity of liquid fuel not to exceed 32 ounces per appliance may be kept in a "Sigg type" container, stored in accordance with National BSA Policies and never in tents or buildings. Any fuel in excess of this amount is to be turned over to the Camp Ranger for proper storage.

No candles, lanterns or other flames are permitted in tents at any time!

### Fire Safety

Campfires are permitted ONLY in the fire pit in your campsite and should never be left unattended. Proper methods to extinguish fires should be available at all times. When the fire is out cold, stack partially burnt wood near the pit for future use. Disposing of cold ash should be done regularly. This can be arranged through the Commissioners or the Scoutcraft staff. It is not necessary to bring wood from outside sources onto the camp property.

\* Please do not cut down any trees. All necessary wood can be found on the ground. Firewood should not be brought to camp. This policy prevents the spread of threatening insects to the forest.

### Don't Bring Firewood To Camp

Invasive insects such as the Asian Longhorned Beetle and the Emerald Ash Borer are active in New England and New York. While the Emerald Ash Borer primarily attacks its namesake tree, the Asian Longhorned beetle poses a threat to almost any hardwood tree. Because of this risk, Western Connecticut is under a Federal quarantine and Connecticut State Law prohibits moving firewood across county lines. Help preserve our forests by not transporting any firewood. For more information about these and other pests, speak with the Scoutcraft Staff or the Nature Staff.

### **Dining Hall Conduct**

All meals are served family style and use the host system. Every table in the dining hall should have **at least one adult sitting with the Scouts.** Adults ensure proper table manners, safety and Scout-like behavior.

### Troop Leader Assistance

Troop leaders hold a wealth of information and are a great source of assistance to the staff. You are asked to share your talents in a particular program area. Please complete the *Adult Resource Form* in the *Camp Related Forms* section of this guide and return it to the Program Director.

### Commissioner Service - "Your Source For Help at Camp"

The Camp Workcoeman Commissioners are here for any assistance to your troop while at camp.

Program changes, campsite needs & repairs, as well as any special requirements are all ways that we can make your stay at camp as best it can be. Each morning before reveille, the Commissioners will visit your campsite to bring coffee and deliver your daily copy of the "Chief Tunxis Times."

### Daily Campsite Visitations

A Scout is Clean. While your boys are at morning merit badge sessions, the Commissioners will visit your campsite. A colored feather will be placed in the tent that is best arranged and tidiest. The top three scores will be announced during lunch in the dining hall. A sample visitation rating sheet will be distributed at the Sunday afternoon leaders meeting. The Commissioners will visit with leaders to address any health and safety concerns and will be looking for top notch, clean campsites.

### Camp Disciplinary Policy

The Scout Oath and Law is the basis for the conduct of Scouts, leaders, and staff in camp. Scouts who display improper conduct will be asked to leave camp immediately with their parents. Troop leaders will be informed by the camp staff of any Scouts displaying misconduct. The following are examples of conduct that will result in the expulsion of an individual from camp: deliberate injury to another person, theft, vandalism, fighting, and the use of alcohol or drugs.

### **The Merit Badge Program**

Your troop can complete merit badge selections through the Connecticut Rivers Council website registration process. Please make sure your merit badge selections are submitted at least three weeks prior to your arrival at camp. The Program Director will be in contact with any necessary information and program changes.

### **GENERAL GUIDELINES**

It is suggested that Scouts who have not attained the First Class rank utilize the "Tenderfoot's Compass Program." One part of this program will have younger Scouts take Swimming Merit Badge. Earning it opens the door to many challenging aquatic opportunities.

A limit of 3 merit badges is recommended for Scouts, especially if difficult badges are being considered. If the advancement load of a Scout is too heavy, an otherwise fun week becomes one of disappointment.

Advancement is one of eight methods of Scouting. \*\*Don't overload advancement at the expense of patrol and troop activities.\*\*

### PRE-CAMP PREPARATIONS

Some merit badges offered at camp may have prerequisites while others require double time sessions for completion at camp. The information in the following pages details the times at which merit badges are offered as well as information that should be considered when making merit badge selections.

The merit badge counselors have identified activities appropriate for Scouts with different experience levels and listed necessary prerequisite merit badge requirements that cannot be completed at camp. Please be advised that the list of prerequisites may be incomplete as a result of requirements changing between the publica tion of this guide and the summer camp season. Scoutmasters and Scouts should review badge requirements ahead of time to make sure each Scout is signed up for ability appropriate merit badges and comes to camp with necessary materials.

Please see the appendix for merit badge specific prerequisite requirement signoff sheets. These forms should be completed to ensure Scouts are given credit for work that must be done outside of camp.

We want Scouts to have an enjoyable time at camp and come away from the week with a feeling of accomplishment having earned merit badges towards which they have worked. The Workcoeman counselors encourage you to use your experience as a Scoutmaster to guide your unit towards a successful and fun week at camp!

### **Program Area Highlights**

**Waterfront....** The waterfront at Camp Workcoeman is the finest in the council! It has all the facilities for the best aquatic programs. The camp's fleet of boats and canoes includes many varieties of sail boats for beginners and experts. West Hill Pond is also a great place to try your hand at sailing and kayaking. The swimming opportunities are superb, offering a world of water fun and knowledge always under the utmost safety. Mile Swim, Snorkeling BSA, and Lifeguard BSA are among the special awards instructed by our trained aquatics staff.

**Ecology/Conservation....** Camp Workcoeman is the location of the Henry Griffin Nature Lodge. It is the center of the outdoor laboratory for all of it's programs, an excellent demonstration area and example of wilderness management. Many displays and activities let Scouts experience the need for nature and conservation. Come see all of the live exhibits in the Nature Lodge.

**Shooting and Field Sports....** This is the camp's center for fitness development. Activities are inter-troop, patrol and individually centered. Our basketball court is a real hit. Rifle shooting, shotgun shooting and archery are always popular activities. Muzzle loading rifle shooting is a great part of the Shawtown Wilderness Trek for older Scouts.

**Scoutcraft....** The Sturge Shields Scoutcraft area offers patrols and troops a wide variety of outdoor activities. These programs encourage self-reliance and foster an appreciation of the enviornment, all while having fun. Many of these activities include demonstrations that show Scouts the techniques of camping, ranging from basic cooking to advanced survival. The Scoutcraft Staff offers training for both youth leaders and scouters, with a special emphesis on Leave No Trace. Most Scoutcraft activities occur at the Stuge B. Shields Campcraft Area located at the beginning of the Red Trail; however, many activities can be conducted in your campsite.

**Handicraft....** The Handicraft Area offers a choice of formal or informal programs for those Scouts who would like to try their hand at a specific craft. The Trading Post carries a large variety of craft supplies in addition to materials on hand in the Handicraft Pavilion. You are always welcome to bring your own supplies and finished work to show others.

**Climbing and Rappelling....** This 3 sided, 32' tall rock climbing wall is for Scouts who want to test their strength and ability. "The Wall" is located at the Activities Field where Scouts are shown the proper use of technical climbing equipment, including climbing harnesses, ropes and belay devices.

### **Project COPE**

**Project COPE** is a national program of the Boy Scouts of America. COPE stands for "Challenging Outdoor Personal Experience."

The program is comprised of group initiative games, trust events, low-course events, and high-course events. Some activities involve group challenge while others develop individual skills and agility. Participants climb, swing, balance, jump, rappel, and devise solutions to a variety of problems. Most participants achieve much more than they imagined they could.

As a non-competitive program, Project COPE permits every participant to achieve their personal best!

Group activities are ideal for enhancing the leadership and teamwork of Scout units. Activities challenging individuals can also be used to bolster self-esteem and promote personal growth.

### Become a Workcoeman CLASS "A"

This is a weeklong opportunity for all troops to work toward earning Class "A" status. Being recognized as a Workcoeman Class "A" Troop is a mark of full participation in nearly all camp programs from those listed below. All troops completing the requirements will earn this distinction and will be listed on a special "Class A Honor Board". Troops will also be recognized at the Court of Honor where they will receive a ribbon and plaque and each Scout receives a shoulder patch.

During the week, any troop that meets a minimum standard of points in various camp-wide activities will have the distinction of being named a Camp Workcoeman Class "A" Troop

Those camp wide activities are as follows:

- 1. Daily Campsite Visitation results
- 2. Flag Ceremony Appearance
- 3. Veteran Camper Awards
- 4. Nature Scavenger Hunt

This can be used for credit on the Veteran Camper Award. Brotherhood Ceremonies will also be conducted some weeks for those Ordeal members wishing to advance their OA membership. A special crackerbarrell is planned for Order of the Arrow members on Wednesday at 9 PM in the campfire circle. This is a great time to share lodge and chapter customs or otherwise socialize with OA members.

### 90th Anniversary Celebration

This summer marks the 90th Anniversary of Camp Workcoeman; one of the oldest camps serving the Boy Scouts of America and summer home to thousands of Scouts and Scouters.

This will be Workcoeman's Summer of Renaissance. We will celebrate the great people and events of Scouting's history with a look for the future, pursuing the idea of Scouts learning and growing into true Renaissance Men - those with expertise that span a significant number of different subject areas. The summer will visit the classics of Scouting, learn about the great explorations in American history, discover new ideas in science and technology, and challenge troops to improve thier teamwork while supporting the development and growth of each individual Scout.

As Workcoeman shares its history and plans for the future we encourage troops to do the same. Use this year to learn and share more about history. Stay tuned for more informa-

tion as the summer nears.
